Administrative titles at the Academy differ from those at civilian colleges, but in essence the responsibilities that accompany the titles are the same. The Superintendent is akin to a college president and ultimately governs all aspects of Academy operation. The Deputy Superintendent is the principal executive for management control. The Academic Dean, like a college dean of faculty, is responsible for the curriculum and the supervision of the academic departments. The Commandant of Midshipmen is akin to the dean of students and handles all midshipmen affairs of a non-academic nature, including military organization, conduct and discipline. These administrative officers comprise the Academy’s senior staff, and are assisted by capable office personnel in the daily operation of the institution.

**Board of Visitors**

Public Law 453, approved by the 96th Congress on October 15, 1980, provides for an annual inspection of the Academy by Congress through a Board of Visitors of nine members who are appointed in January of each year. The Board consists of one Senator appointed by the Vice President; two Members of the House of Representatives appointed by the Speaker of the House of Representatives; the Chairmen of the Commerce, Science, and Transportation Committee of the Senate, the Committee on Armed Services of the House of Representatives as *ex-officio* members; two Senators appointed by the chairman of the Commerce, Science, and Transportation Committee of the Senate; and three Members of the House of Representatives appointed by the chairman of the House Committee on Armed Services of the House of Representatives.

**Advisory Board**

Public Law 453 also establishes an Advisory Board consisting of not more than seven persons of distinction in education and other fields relating to the purposes of the Academy who serve without pay. The members of the Board visit the Academy at least once during the academic year at the call of the chairman. The board’s purpose is to examine the course of instruction and the management of the Academy and advise the maritime administrator and the Superintendent of their findings.

**Staff**

Following each name is the year of joining the staff. Also listed are job title, degrees earned, where obtained, professional licenses, and military status.

The list starting on the next page is current as of August 1, 2013.
