(Candidates please obtain and keep your taxi receipt for reimbursement purposes).

TRAVEL EXPENSES

You will be reimbursed for official travel only. This includes Incoming Candidate Travel (from your legal home of record directly to Kings Point. Hotels will not be reimbursed), Sea Year Travel (from Kings Point directly to Ship, any interport travel and the last ship directly back to Kings Point) and Graduation/Resignation/Disenrollment travel (from Kings Point directly to your legal home of record). You are authorized travel expenses (mileage) at the Government mileage rate or Government rate by common carrier (whichever is least costly to the Government). All travel arrangements for official government travel must be made through our Traffic Management Center, Travel Professional Services 1-850-678-6688. Travel instructions can be found in your Orders To Report. Your Orders To Report and receipts must be kept and submitted to obtain travel reimbursements, and will be handed in upon arrival and registration for Indoctrination. Remember to complete and sign the reverse side of your Orders to Report and submit them when reporting at Indoctrination to the Travel Section. (Travel Department: 516-726-5598)

PARENTS’ SCHEDULE

After you begin in-processing, your parents and relatives may wish to remain on campus and participate in scheduled activities. However, there will not be any free period for visitation with your family after you sign in. Parents and relatives are invited to the following events:

1100 – 1145  Short briefing by the Superintendent and staff in Ackerman Auditorium.
1200 – 1215  Mess Muster and Superintendent’s message to Class of 2017.
1300        Academy grounds closed to visitors.
If your parents would like to send mail to you during Indoctrination, the envelope should be addressed as follows:

Plebe Candidate [students full name here], 2017  
U.S. Merchant Marine Academy  
300 Steamboat Road  
Kings Point, N.Y.  11024-1699

When you are issued a Box number, the envelope should be addressed as follows:

Plebe Candidate (students name here)  
Box # ______, USMMA  
300 Steamboat Road  
Kings Point, N.Y.  11024-1699

Mail and packages without box numbers experience significant delays in delivery due to the time and effort required to determine the addressee’s box number and the limited number of mail room personnel. Please ensure all first class mail, magazine subscriptions, parcel post, and private package delivery services contain the box number. Some entities say they will not deliver to a box number and do not have spaces within online ordering forms for box numbers. Other students have found it very usual to include the box numbers as middle names or append the box number to the end of the first name such as John1234 Doe.

FOR PLANNING PURPOSES, 6 SEPTEMBER 2013 IS ACCEPTANCE DAY/PARENTS’ WEEKEND. This is the weekend Plebe Candidates will be sworn into The Strategic Sealift Officer Program (SSOP), U.S. Navy Reserve (USNR). Parents are encouraged to attend this on-campus weekend. Additional information will be available at the USMMA Parents website.

INDOCTRINATION

Indoctrination to Academy academic and regimental life is an evolution, which requires several months to complete. Your first two weeks at Kings Point are dedicated to helping you make the transition from civilian life to a more structured regimental lifestyle

Indoctrination includes instruction periods in Academy history and traditions, academic programs, Naval Science, basic seamanship and the Honor Code. Additional time is spent in military training, Academy facility and services briefings, uniform issue details and other Academy administrative matters. During this period, Candidates will be allowed to phone home on Sundays and in the case of any emergency.

The Indoctrination Period requires discipline and determination, both physical and mental. You will be required to take and pass physical fitness and swimming tests. The physical fitness test elements and standards are indicated in the Physical Readiness section of this pamphlet. Do NOT ignore this requirement! Every new midshipman is required to take a drug test within the first week of reporting. A positive test is grounds for immediate dismissal.

During Indoctrination, you will be closely monitored and must use your limited time to accomplish required tasks. You will be accountable at all times. You will experience full and demanding days while increasing knowledge and developing skills that will ease the adjustment to academic and regimental standards that must be maintained during your four years at Kings Point.
Indoctrination will help you strengthen your ultimate personal performance at the Academy and develop camaraderie among the members of the Class of 2017. You will develop a keen sense of pride and ‘esprit de corps’ in being a member of the Regiment of Midshipmen. Successful completion of Indoctrination requires mental, physical and emotional commitment as you adapt while anticipating the feeling of accomplishment upon its conclusion. Although challenging, it is also uplifting. Under normal circumstances, you will not be permitted to resign during the two-week Indoctrination Period. Therefore, it is essential that you give careful consideration to your reason(s) for attending the Academy.

TRANSPORTATION WORKER IDENTIFICATION CREDENTIAL (TWIC)

Department of Professional & Career Services

All US students shall obtain a Transportation Worker Identification Credential (TWIC) prior to arrival at USMMA. The TWIC was established by Congress through the Maritime Transportation Security Act (MTSA) and is administered by the Transportation Security Administration (TSA) and U.S. Coast Guard. TWICs are tamper-resistant biometric credentials issued to workers who require unescorted access to secure areas of ports, including all Merchant Mariners. To obtain a TWIC you must go to a TSA enrollment center twice, once for enrollment, the second time to pick up the TWIC. Enrollment and pick-up may be done at the different enrollment centers. Once you enroll, there may be a six to eight week wait to pick up the TWIC, so enroll early. The cost of the TWIC is approximately $132.50. Proof of obtaining a TWIC may be demonstrated to the Academy in several ways, listed in priority order:

1. Mail a copy of your TWIC to Midshipmen Personnel along with a copy of your Passport prior to your arrival.
2. Surrender the TWIC during in-processing at the Academy.
3. If your TWIC is not available for activation, show proof of enrollment for a TWIC during in-processing at the Academy by providing a copy of the receipt from the enrollment center if you have not yet been notified that the TWIC is available for pick-up.
4. If a student does not have a valid activated TWIC during in-processing, then the student will apply/activate at the NY TWIC center at own expense during the first available class free day. This day is Monday during the Fall Leave period or Thanksgiving Leave and after completing the enrollment/activation at the NY TWIC office, the student shall then proceed on normal leave. If the student was enrolled during Fall/Thanksgiving, the student will then activate during the Winter Leave period.

NOTE: Non-US Citizens must pre-enroll for a TWIC prior to reporting to the Academy. They will be processed for a TWIC during the academic year and proceed to the NY TWIC during Fall Break, Thanksgiving Break and Winter Break.
The TWIC may be obtained by going to the website https://twicprogram.tsa.dhs.gov/TWICWebApp/Welcome.do and carefully following the instructions contained within, especially the requirements for personal identification. It is recommended that you pre-enroll on the TWIC website and schedule an appointment through the website at the nearest TSA enrollment center. When pre-enrolling, indicate the purpose for the card is for employment as a Merchant Mariner and that the U.S. Merchant Marine Academy is the employer. Additional information regarding the TWIC may be found at http://www.tsa.gov/what_we_do/layers/twic/index.shtm to find the location of the nearest enrollment center go to http://twicinformation.tsa.dhs.gov/twicinfo/schedule.jsp

If you have any additional questions please contact Ms. Carol Finegan (516-726-5829) or fineganc@usmma.edu or CAPT Eugene Albert (albertg@usmma.edu)

Regulation for Hair of Candidates (prospective Midshipmen)

The regulations apply on the day of arrival at the Academy for Candidates and throughout the period of indoctrination. During the indoctrination period, normal Midshipman Haircut Regulations (quoted below) apply.

Male Candidates

Hair shall be well groomed at all times and meet the following minimum standards: Hair shall be well tapered to at least ¾" and must not touch the collar, shall be no longer than 3’ on top and may not touch the ears or extend below the eyebrows when headgear is removed. Hair shall not show under the front edge of headgear or interfere with properly wearing military headgear or safety equipment. Shorter hair than these minimum standards is encouraged as it is easier to care for in general at the Academy where time management is critical.

Female Candidates

Hair shall be neat, clean, proportionately shaped and arranged in a professional style. When in uniform, hair on the back of the head may touch but not fall below the lower edge of the collar. It must be neatly and inconspicuously fastened, pinned or secured to the head presenting an attractive hairstyle and must not show under the front brim of the headgear. Ponytails, pigtails or plaited hair that extends away from the head are not permitted in uniform. A maximum of two braids may be worn, neatly secured at all points to the head. Hair coloring must look natural and compliment the individual. Hair ornaments such as conspicuous rubber bands, combs and pins not authorized so as not to present a safety hazard and a maximum of two barrettes, similar to hair color may be used to pin up hair. Hair must not exceed two inches in bulk, regardless of style. The style must be conservative and in good taste and shall not interfere with properly wearing of military headgear or safety equipment. Short cropped hair, while not a requirement, is encouraged as it is easier to care for in general at the Academy where time management is critical.

Hair Regulations for all Midshipmen (after indoctrination)

Males

Hair will be neat clean, and present a good appearance. Hair above the ears and around the neck shall be tapered from the lower hairline upwards at least three-fourths inch and outwards not greater than three-fourths inch to blend with hair style. Blocked haircuts and rounded or square back haircuts are not authorized. Hair on the back of the neck will not touch the collar. Hair shall be no longer than four inches. When gowned, it may not touch the ears, extend below the eyebrows when headgear is removed; nor interfere with the proper wearing of military headgear. Bulk of the hair shall not exceed two inches. Bulk is defined as the distance the mass of hair protrudes from the scalp. Hair color must look natural and complement the individual. Faddish and outrageous multicolor hair is not authorized.
Females

Maximum length of hair is not specified. Hair shall be kept clean, neatly shaped, and arranged in an attractive and professional style. Faddish and exaggerated styles are prohibited. Hair styles with multiple braids are authorized. Braided hairstyles shall be conservative and conform to the guidelines listed herein. When a hairstyle of multiple braids is worn, braids shall be of uniform dimension, small in diameter (approx. ¼ inch), and tightly interwoven to present a neat, professional, well-groomed appearance. Foreign material (i.e. beads, decorative items) shall not be braided into the hair. Short hair may be braided in symmetrical fore and aft rows (corn rowing) which minimizes scalp exposure. Corn row ends shall not protrude from the head, and shall be secured only with inconspicuous rubber bands that match the color of the hair. Appropriateness of a hairstyle will be judged by its appearance when headgear is worn. Ponytails and pigtails are not permitted when in uniform. When in uniform, hair on the back of the head may touch but not fall below the lower edge of the collar. Long hair, including braids, must be neatly and inconspicuously fastened, pinned or secured to the head presenting a professional hair style and may not hang free at any point. Hair must not show under the front of the combination hat, garrison cap or command ball cap. Afro, natural, bouffant, and other similar hair styles, which do not interfere with the wearing of military head gear, are permitted. The bulk of the hair shall not exceed two inches. Bulk is defined as the distance that the mass of the hair protrudes from the scalp. Hair coloring must look natural and compliment the individual. Faddish and outrageous multicolor hair is not authorized. Visible hair nets may be worn only if authorized for specific duties such as hospitals or galleys.

The following policy will be in effect:

1. If a candidate declines the appointment and does not report for the academic year, the candidate will receive a full refund.
2. If a candidate is separated during the Indoctrination Period, a refund will be processed for all services not provided. The actual date of separation will determine the amount of the refund.
3. Refund checks will be mailed to the home address on record.
4. Issued items cannot be exchanged for cash or credit.
5. Refunds will be processed within 90 days of separation from the Academy.
Candidates entering with the Class of 2017 are required to bring with them the EXACT items listed in Table A, by quantity, size, and vendor. These items are required for uniformity, and no deviation will be permitted. Upon reporting in on Induction Day, each Candidate will be required to have these items, completely separate from their luggage, and packed in the white mesh laundry bag.

Table 1. Minimum Hardware Requirements

The USMMA does not require Candidates to purchase their laptops from a specific web site, store, or other source of supply. Approved laptops are available for purchase from the following sources:

- Navy Exchange’s Midshipman Store located on the USMMA campus [phone (516) 726-6177] [https://www.mynavyexchange.com/storefinder/nx_display_facility.html?p_facility_no=505]
- Dell premier website [http://premier.dell.com]
  If you wish to use the Dell premier website you will need to send an email to Francisco_Gomez@dell.com and request a user ID and password. Include “Request for access to Dell premier website” in the subject line.

Laptop computer packages purchased through these venues include next business day on site support and accidental damage coverage. Dell dispatches technicians to the USMMA Service Center to provide warrantied repairs.

Important Note: The FIPS 201 compliant Smartcard reader is required. A listing of approved Smartcard readers can be found at [http://fips201ep.cio.gov/index.php].

Additional information about the Smartcard program and its role in managing the identity of authorized federal network users can be found at [http://www.idmanagement.gov/].

Important Note: The Firmware requirement is established by the Department of Transportation and the Department of Homeland Security. At the time this document was written, a limited number of personal computer manufacturers satisfy this requirement. Laptops that do not feature NIST 800-147 compliant firmware cannot be connected to the Academy network.

Dell Latitude E-series laptops are compliant with NIST 800-147. Candidates with other brands or models are required to provide documentation from the manufacturer attesting to compliance.
Additional information regarding NIST 800-147, can be found at http://csrc.nist.gov/publications/nistpubs/800-147/NIST-SP800-147-April2011.pdf.

**Financing**

If you anticipate the need to seek Federal Financial Aid, or to participate in a college loan program, and you require these proceeds to acquire a personal laptop computer, please notify the Office of Admissions and Financial Aid prior to reporting for Indoctrination.

If you report to Indoctrination with a personal laptop computer that fails to meet these requirements, or you fail to notify the Office of Admissions and Financial Aid as noted above, you have to the end of Indoctrination to make arrangements to acquire a personal computer that does meet the requirements.

**Registering Your Computer for Use on the Academy Network**

During Indoctrination, your laptop computer will be registered for use on the Academy network. Only registered personal computers are permitted to access and use the Federal Network. As part of the registration process, your laptop will be re-imaged and all required software will be installed.

You are strongly advised to make copies of all important programs, files, and documents on your personal computer laptop before reporting for Indoctrination. During the registration, all data on the hard drive will be overwritten. The Academy is not responsible for any loss of software or personal files and documents during this process.

As part of the registration process, you will forfeit Administrative Rights to the laptop. After registration, you will be unable to install, remove, or modify the computer software installed on the laptop. You will regain Administrative Rights during sea periods, and at graduation.

**Authentication to the Academy Network**

Your laptop computer must have a FIPS 201 compliant Smartcard Reader capable of accepting a U.S. government issued Personal Identity Verification (PIV) card. PIV cards will shortly become the only authorized method for accessing USMMA network resources.

**Rules of the Road**

As a registered user of the Academy network established for midshipman use, you will belong to the domain, midshipman.usmma.edu. You will participate and successfully complete annual Security Awareness Training. You will be subject to the Academy’s policies regarding appropriate computer and network use. These policies can be found in the Midshipman Regulations issued to you during Indoctrination. Failure to comply with these policies will result in sanctions up to, and including, disenrollment.

You shall not share your network credentials with anyone. You shall not use another midshipman’s network credentials.
**Authorized Software Use**

The Academy will provide at no cost all of the software required for safe computing and to satisfy all degree program requirements.

The Academy domain, midshipman.usmma.edu, operates under a software policy known as Application Whitelisting. Under this policy, only authorized software will be permitted to run. Midshipmen may recommend software title for review and addition to the list.

**Hardware Warranty and Accidental Damage Coverage**

It is strongly recommended that you acquire appropriate warranty and accidental damage coverage for the laptop you elect to bring with you when you report for Indoctration. A midshipman’s lifestyle is tough on electronic equipment. Coverage is available from a variety of sources.

Each midshipman is personally responsible for keeping his or her personal laptop computer in operable condition at all times. The Department of Information Technology’s Service Center staff can assist in diagnosing possible hardware problems and failures. However, only the midshipman can make arrangements for repairs, package the laptop for shipment as the warranty provider requires, make all shipping arrangements, and ship the laptop. Service Center staff cannot open your laptop’s case, make any hardware repair, or undertake any action on your behalf, since doing so may invalidate your warranty coverage.

If you decide it is not cost-effective to repair your personal laptop computer, then you are obligated to promptly acquire a replacement. The replacement must satisfy the hardware and software requirements then in effect. Contact the Service Center for the current requirements. The Service Center can provide a loaner laptop for a period of time not to exceed 30 calendar days. Theft is a violation of the Midshipman Honor Code which states a Midshipman will not lie, steal, or cheat.

**Software Diagnoses and Repairs**

The Academy domain, midshipman.usmma.edu, features automated software configuration management technologies. If any Academy provided software titles become corrupted, or fail to operate properly, an affected midshipman in residence at the Academy can use the self-service web site to diagnose and replace each component on-line. Midshipmen may also seek support from the Service Center staff in the CAORF Building.

**Desktop Printers**

Midshipmen may purchase any desktop printer of their choosing providing the printer software is compatible with the latest version of the Microsoft Windows 7 operating system. Printers may be purchased from the Naval Exchange Store located on the Academy campus. All printers sold by the Naval Exchange satisfy the requirements established by the Academy. Personal printers are not required.

**Prohibited Hardware Devices**

Candidates are prohibited from bringing any hardware device beyond a single personal laptop computer and printer to the Academy. This includes removable storage media, external hard drives, external SSDs, game consoles, routers, switches, wireless routers, and wireless access points.
Candidates may bring cellular telephones, smartphones, calculators, and other devices approved for midshipman use by the Commandant. However, Candidates may not use any electronic device connected to a cellular network where tethering is used to gain access to the Internet.

Candidates arriving at Indoctrination with prohibited hardware and devices will not be admitted to Indoctrination activities, until these items are boxed for shipment, and shipping arrangements completed to return prohibited items to their address of record.

**Music and Video Files**

The Midshipman Honor Code prohibits theft. Candidates may store music and video files on the hard drives, or SSDs, of their personal laptop computer providing they are willing to attest each file was legitimately purchased from an authorized (re)seller. Knowingly making a false statement is a violation of the Honor Code. Furthermore, possession of stolen property is a crime.

OTHER CASH EXPENSES

Educational Supplies
In addition to the required advance payments, it is your responsibility to have sufficient funds readily available to pay for additional personal educational supplies not included with the Educational Issue.

Personal Supplies
You will determine your own cost estimates for items of personal hygiene, dry cleaning, shoe repair, etc. The Government provides an initial and periodic issue of uniforms and accessories. However, you may require more frequent replacement of certain items and you will be responsible for these costs.

Team and Club Travel
Midshipmen who participate in club or varsity sports, or are members of clubs or other extra-curricular activities, may be responsible for advanced payment of certain travel expenses, such as hotel rooms, meals, and other incidental expenses. Reimbursement may take up to 30 days. It is recommended that each midshipman have a credit card, which can be used for these expenses as necessary.

Financial Aid/Student Loans
If you have an application for Financial Aid/Student Loan pending, you can contact the Academy Admissions/Financial Aid Office at 1-516-726-5638, or toll free at 1-866-546-4778, if you have any questions. If you believe you will need financial assistance to cover the required costs, advance planning to obtain loans or a grant must be arranged.

For information purposes, the following dates are anticipated for receipt of aid and credit balance disbursements for the 2013/2014 Academic year:

1st Disbursements  
12 August 2013  PELL & Direct Student and Parent Loans  Credit Balance  26 August 2013

2nd Disbursements  
2 November 2013  PELL & Direct Student and Parent Loans  Credit Balance  16 December 2013

3rd Disbursements  
31 March 2014  PELL & Direct Student and Parent Loans  Credit Balance  14 April 2014

IMPORTANT NOTE: Financial Aid is disbursed after each academic Trimester has started, not before. As such, the funds from Financial Aid are not available early enough to pay for items that must be procured beforehand (for example, supplemental health insurance, laptop, Plebe Kit, etc.).
**Scholarships**

Students who receive scholarships from “outside” sources should advise the benefactors to make the scholarship checks payable to: “U.S. Merchant Marine Academy”. Scholarship checks should be mailed to the Financial Aid Office --- USMMA Financial Aid Office, 300 Steamboat Road, Admissions Center, Kings Point, NY 11024-1699.

IMPORTANT NOTE: Scholarship checks are not deposited/cashed until after the start of the 1st Trimester, since there are students who report for Indoctrination but who choose to leave before classes start … and since the academic year doesn’t begin until classes start, the USMMA cannot retain those checks if the students don’t actually start classes. As such, the funds from those scholarship checks are not available early enough to pay for items that must be procured beforehand (for example, supplemental health insurance, laptop, Plebe Kit, etc.).

**Banking Facilities**

**Navy Federal Credit Union** operates a full-service banking facility and automated teller machine at the Academy. **(1-516-487-6722)**

Spending money may be deposited in the credit union so that you will have ready access to funds and avoid the risk of carrying cash. Applications for checking and bank accounts will be taken during the Indoctrination Period.
USMMA Department of Health Services

Medical Standards for Admission and Fitness for Duty

For admission to the Academy, Plebe Candidates must meet the medical requirements prescribed by the Department of the Navy for appointment as Midshipman, USNSSO (United States Navy Strategic Sealift Officer) and those prescribed by the U.S. Coast Guard for original licensing as a Third Mate and Third Assistant Engineer. The requirement to meet these medical standards is a continuous one and applies through graduation from the Academy.

Each Plebe Candidate is required to notify DoDMERB of any change in health status that occurs after their DoDMERB physical and prior to arriving at the Academy for Indoctrination. This would include but is not limited to: hospital admission for any medical, surgical, psychological or emotional problems; development of any health problem or allergy; need for extended or long-term use of any prescription medication; any health condition that would, in any way, limit or prevent him/her from carrying out the duties and responsibilities of a Midshipman, or that might prevent him/her from being commissioned in the Armed Forces of the United States.

In the event of a change in health status, you are required to provide DoDMERB with the following information:

1. A complete record of all health providers involved in your care,
2. A current health status,
3. Disclosure of any temporary or permanent disability, and
4. Prognosis for a full recovery

You are required to send copies of these reports to the Academy's Director of Admissions. Failure to comply with these requirements is a serious matter, and may result in disenrollment from this Academy on the basis of non-disclosure of a pre-existing health condition.

Upon reporting to the Academy for Indoctrination, your health status shall be re-evaluated utilizing, medical and dental examinations, color vision screening, visual acuity assessment, HIV test, tuberculin skin test using PPD (Purified Protein Derivative), drug screening, and administration of immunizations in preparation for sea duty. In addition, a pulmonary function test is administered to all Plebe Candidates to establish a baseline measurement and determine if a respirator can be worn without restrictions.

PRE-ADMISSION HEALTH DOCUMENTATION

Prior to arriving at the Academy, all Plebe Candidates must complete and return to USMMA, a series of important health documents. These documents must be downloaded directly from our website. Instructions regarding these forms on how to download them and how to return them to USMMA DHS will be sent via a separate future mailing. The forms are as follows:

1. Notice of Privacy Practices: will be provided for your review and records.
2. **Acknowledgment of Receipt of Notice of Privacy Practices:** Three copies of this form will be required for each of the three healthcare groups in the Department of Health Services.

3. **Consent for Use and Disclosure of Health Information:** This form is to allow the providers at the USMMA Department of Health Services to communicate information necessary for treatment, payment activities and healthcare operations. By law a separate consent must be signed for disclosure of protected health information to third parties such as parents or members of other departments at the Academy. Three copies of this form will be required for each of the three healthcare groups in the Department of Health Services.

4. **Authorization to Provide Health Services to Minors:** A parent or legal guardian must sign this form to provide authorization for necessary medical and dental care to Midshipmen who are minors. The form authorizes the Academy’s Chief Medical Officer, Senior Dental Officer and Director of Midshipman Counseling and Personal Development to perform the required treatment services at DHS. In addition, it authorizes care to be provided as needed by other health care providers as directed by the Chief Medical Officer, Senior Dental Officer and/or Director of the Midshipman Counseling and Personal Development.

5. **Pre-Admission Immunization Record Summary:** This form must be completed by your family physician and shall become part of your Academy health record. This documentation is necessary for the medical staff to confirm that Plebe Candidates can safely participate in and complete Indoctrination activities. Not having these vaccines may place a Plebe Candidate at risk for medical injury which would render them incapable of participation in Indoctrination. Additionally, at a later time, this documentation enables the medical staff to determine that a Midshipman is medically qualified for assignment to Sea Year Training with commercial maritime companies. Successful matriculation from the Academy is impossible without this documentation.

Primary and booster immunizations must be documented for the following vaccines and they must be administered prior to arriving at the Academy unless otherwise stipulated:

a. **Diphtheria - Pertussis - Tetanus (DTaP) and a booster dose of Tdap (Tetanus, Diphtheria and Acellular Pertussis - within five (5) years.)**

b. **Polio (Oral or injectable Polio Vaccine – at least 3 doses)**

c. **Measles - Mumps - Rubella (M.M.R. #1)**

d. **Measles - Mumps - Rubella (M.M.R. #2) or Measles second dose**

e. **Chicken Pox / Varicella – 2 doses (This vaccine is not required if you can present documentation from a physician of an antibody titer or if a physician can document the history of Chicken Pox.)**

f. **Meningococcal Vaccine (Menactra) booster age 16 or two-dose series. Administer MCV4 at age 11 through 12 years with a booster dose at age 16 years. Administer one dose at age 13 through 18 years if not previously vaccinated. Persons who received their first dose at age 13 through 15 years should receive a booster at age 16 through 18 years.**

g. **Hepatitis B Series (3 doses)**

h. **Hepatitis A (2 doses)**

i. **Human Pappilomavirus Vaccine (HPV-Marketed as “Gardasil”) is a recommended but not required vaccine and is included in the official immunization schedule published**
Commercial maritime companies require several immunizations in order to meet qualifications for sea year training. Some immunizations are in addition to those mentioned in the above Pre-Admission Health Requirements & Documentation. Necessary immunizations may include, but are not limited to Typhoid, Yellow fever & Influenza. In order to complete the series of immunizations in advance of the sea year training, it is necessary to receive some of these vaccines soon after arrival at the Academy. The remainders are administered just prior to sea duty tours. At a later time, this documentation enables the medical staff to determine that a Midshipman is medically qualified for assignment to Sea Duty Training. Successful matriculation from the Academy is impossible without this documentation.

***Questions regarding immunizations a thru i listed above, or any other immunization related questions may be directed to our Medical Department by calling 516.726.5680, option #1 or you can email your questions to medical@usmma.edu ***

6. **Temporary Waiver for Third Molar Extractions:** This form should be completed by a parent or legal guardian of a Plebe Candidate, with the assistance of a licensed dental provider. The recommendation by the Academy’s dental service is that third molars (wisdom teeth) be removed at least 6 weeks prior to indoctrination if indicated. The form certifies that either the wisdom teeth have been removed/do not exist or the parent/legal guardian acknowledges financial responsibility for removal if these teeth are still present and become symptomatic or are deemed to be a potential threat for infection by the Academy’s Senior Dental Officer.

7. **Respiratory Protection Medical Questionnaire Form:** Pulmonary Function Testing (PFT) will be administered early in Indoctrination. You will need to complete this 3-page questionnaire carefully as a pre-requisite to your PFT.

8. **Questionnaire for National Security Positions:** The questions on this form are taken directly from the Questionnaire for National Security Positions, which you will complete in its entirety at a later date during the academic year.

9. **Student Health Insurance Waiver:** All Plebe Candidates, Plebes and Midshipmen must have a valid primary health insurance policy in effect while attending USMMA that meets USMMA requirements. This form must be completed if you intend to “waive” coverage thru the USMMA sponsored insurance plan. (If you do not have insurance that meets USMMA requirements, you will not be able to waive the USMMA sponsored insurance plan and you will need to enroll in the USMMA sponsored plan. See “Insurance” under “Healthcare and Insurance Needs”).

**HEALTH SERVICES PROVIDED BY THE ACADEMY**

Midshipmen & Plebe Candidates enrolled at the United States Merchant Marine Academy (USMMA) are eligible to receive basic health care at USMMA Department of Health Services (DHS) which is located in the Patten Health Clinic Building. DHS is open Monday thru Fridays except holidays from 0730 to 1630. During The Indoctrination Period in July, DHS extends hours of operations and is open 7 days a week. Generally, DHS is open 12 hours each day for the entire Indoctrination Period.
SICK CALL DURING INDOCTRINATION:

During Indoctrination, immediately following breakfast each morning, Plebe Candidates are given the opportunity to report any need for medical care or intervention. At that time, Plebe Candidates in formation are triaged by a DHS staff member who determines if the Plebe Candidate requires immediate attention or can be given a specific appointment time for later in the day.

AFTER HOURS CARE DURING INDOCTRINATION:

In the event of injury or illness when DHS is closed, the USMMA DHS Emergency Medical Services (EMS) Dispatcher is notified. The EMS Dispatcher will coordinate the appropriate response.

Any care that is not of an emergent nature is to be addressed during scheduled medical appointments or sick call as needed.

HEALTH SERVICES CARE AFTER COMPLETION OF INDOCTRINATION:

During the Academic Year after Indoctrination ends, DHS operational hours are 0730 to 1630 hours, Monday through Friday. Midshipmen may choose to be seen as “walk-in” patients during morning “Sick Call” (0730 to 0930 hours) or may schedule routine medical, dental or counseling appointments throughout the clinic day. Healthcare services available at DHS include: routine sea year physical assessments; medical laboratory procedures; immunizations required for sea duty; treatment of routine illnesses; procuring prescribed medications and pharmaceutical supplies; public health & hygiene education; annual oral evaluations, general dentistry and dental hygiene; and individual or group counseling sessions for maintaining personal wellness. Midshipmen who require emergent health care during, or after, regular clinic hours will be transported by The USMMA DHS EMS to the nearest emergency room. Please visit the USMMA website at www.USMMA.edu then click on “Regimental Life” for further information regarding The USMMA Department of Health Services.

HEALTHCARE AND INSURANCE COVERAGE NEEDS

HEALTHCARE:

Midshipmen actively enrolled in academic classes are provided access on site to limited medical and dental care available through the Academy’s Department of Health Services located in the Patten Health Clinic Building. Limited medical and dental care is defined by the level of clinical skills available on site at USMMA’s DHS to support Midshipman for all their basic health related requirements for successful graduation from the program. This includes:

- Onsite treatment for non-emergent illnesses or injuries.
- On site oral evaluations, treatment & basic hygiene for non-emergent dental care.
- Interventional counseling for mental health issues in support of maintaining the mental health of enrolled Midshipmen.
- Provision of medical & dental examinations as required by shipping companies for placement in training assignments required to satisfy the 365 days of sea duty training associated with graduation.
Provision of United States Coast Guard examinations for licensing and obtaining Merchant Mariner Credentials for sea duty assignment required for fulfillment of graduation requirements.

Medical and Dental examinations for the purposes of meeting graduation commissioning requirements into the Merchant Mariners Reserve of the United States Naval Reserve Program.

There are exceptions which would make all expenses for the above care solely the responsibility of the midshipmen on a personal out of pocket basis. Generally, these exceptions are associated with injury, illness or diagnosis resulting from a pre-existing condition, a non-disclosed condition, or any medical condition which is incongruent with Academy regulations & policies. These medical needs requiring care that cannot be provided on site at the Academy Clinic will require the use of private insurance.

The following are a few examples for when healthcare needs will exceed care available on site at USMMA DHS and require insurance:

- treatment of undisclosed and/or pre-existing health conditions;
- elective medical examination and immunizations (e.g., pre-employment physicals and immunizations);
- elective surgery;
- cosmetic surgery contact lens or eyeglasses examinations, for the prescription or fitting thereof;
- hearing aids and examinations for the prescription or fitting thereof;
- prescriptions and associated medical laboratory tests for treatment of dermatological conditions (e.g., acne);
- extraction of third molars (wisdom teeth);
- dental root canal treatment;
- dental implants, crowns and implants;
- orthodontic care;
- routine dental care obtained outside the USMMA Dental Clinic;
- substance use disorders; expenses incurred for treatment subsequent to or resulting from substance use (including alcohol);
- conditions incurred as a result of participation in an act in violation of Midshipmen regulations or Academy Policy;
- prenatal care or maternity benefits or any condition arising from or out of pregnancy

**INSURANCE:**

For health care related matters that go beyond the USMMA on site healthcare as described in the previous paragraphs, Midshipmen may require care from local health care providers on an outpatient and inpatient basis. Higher levels of care needs are provided by local health care providers such as the highly-respected North Shore - Long Island Jewish Health System located less than 5 miles from the Academy. A multitude of various healthcare providers are also located in the surrounding community who specialize in many common specialty care needs should such a need for these services arise.

**Midshipmen are responsible for cost related to care that goes beyond the services available onsite at USMMA through Patten Health Clinic.**

Health care needs that exceed the services offered onsite USMMA at DHS do occur and can be very costly if there is no medical insurance in place. For this reason, all USMMA Midshipmen & Candidates must have a valid primary healthcare insurance policy in effect while attending USMMA that meets all USMMA requirements.
Midshipmen are REQUIRED to purchase the Academy sponsored Student Health Insurance Policy (SHIP) which meets all the minimum coverage requirements established by USMMA. HOWEVER, Midshipmen may “waive” this requirement through any one of the following means:

1. Through the use of an existing insurance plan (e.g. a family plan, a “self and spouse plan” or self-only plan) that covers the candidate or midshipman; provided that the policy meets the minimum coverage requirements established by USMMA.
2. If there is no existing health insurance coverage, obtain a qualifying Student Health Insurance Plan from an insurance carrier of his/her choice providing it meets ALL minimum coverage requirements established by USMMA for health insurance coverage.
3. If options # 1 & #2 above are not possible, Midshipmen & Candidates must purchase the qualifying Student Health Insurance Plan (SHIP) through The Academy-sponsored provider, UnitedHealthcare®. This plan meets the Academy’s minimum requirements. The plan is managed by The Allen J Flood Companies and is in association with UnitedHealthcare®.

More information is available by visiting our frequently asked questions and related documents links at:

www.usmma.edu/academy-life/activitiesservices/health-services

During the time period between April, 2013 through June, 2013, each Plebe Candidate must demonstrate proof of health insurance coverage. Information and Instructions will be sent to each Plebe Candidate under separate mailing explaining how to secure proof of insurance coverage.

So that you will be prepared in advance to respond to the separate mailing for health insurance, the following is a description of what you will receive:

1. IF YOU CURRENTLY HAVE HEALTH INSURANCE COVERAGE AS DESCRIBED IN OPTIONS #1 OR #2 ABOVE:

You are required to complete the “2013-2014 Petition to Waive United States Merchant Marine Academy Student Health Insurance Plan”. This form can be downloaded from the USMMA website in the Regimental Life/Health Services section. This form is one of the Pre Admission Health Documents that MUST be returned to DHS. Further information as well as a pre-addressed return envelope will be sent to each Plebe Candidate via a separate future mailing.

USMMA recommends that you contact your insurance provider to confirm your answers to the following questions asked on the aforementioned Petition to Waive:

a. Will your current coverage remain in effect through June 30, 2014?
b. Is your insurance company headquartered/operated in the United States with a US Claims address and Customer Service phone number?
c. Does your current plan provide both emergency and non-emergency benefits for medical and mental health treatment?
d. Does your current plan provide inpatient hospitalization, outpatient physician visits, laboratory services, radiology and outpatient mental health benefits? Coverage limited to Emergency care does not satisfy this requirement.
e. Does your plan have hospitals and providers within 25 miles of the Academy for non-emergency care?
f. Does your plan provide coverage in all 50 states and internationally?
g. Does your coverage comply with all Federal and New York State regulations for student health insurance?
Please note that you cannot waive the USMMA insurance plan if you have Kaiser Permanente or an HMO Plan.

OR

2. IF OPTIONS #1 & #2 ABOVE DO NOT APPLY & YOU DO NOT HAVE YOUR OWN HEALTH INSURANCE THAT MEETS THE ABOVE REQUIREMENTS OR YOUR WAIVER IS DENIED:

If you do not have your own health insurance through your own means that meets the USMMA requirements, then you are required to purchase/enroll in the USMMA sponsored plan. Further instructions regarding how to enroll will be sent to each Plebe Candidate via a separate future mailing.

A brochure highlighting the key benefits of the USMMA Sponsored Student Health Insurance Plan (SHIP) administered by UnitedHealthcare is also available at “www.ajfusa.com/students”. The premium for the 12-month period for July 1, 2013 to June 30, 2014 is $1,489.00. Medicaid and Medicare will be accepted.

Failure to demonstrate having a primary health insurance plan that meets USMMA requirements either by completing a waiver or enrolling in the USMMA sponsored plan by June 3, 2013 may result in your son or daughter being dis-enrolled from USMMA.

Please remember that should you choose to process a waiver of the USMMA sponsored SHIP in favor of your own health insurance coverage, it is your responsibility to contact your insurance carrier and make sure all of the minimum requirements are met.

Regardless of whether you waive the USMMA SHIP in favor of your own insurance or if you purchase the USMMA SHIP, please also be sure to provide your Plebe Candidate with a copy of their insurance identification card and instruct them to have it in their possession at all times. It is also extremely important to provide a copy of the Plebe Candidates insurance card (both sides) to DHS, indicating the current health Insurance plan which meets mandatory USMMA requirements for health insurance coverage.

Although not required for attendance at USMMA, dental insurance is strongly encouraged. If you carry any optional dental insurance, please provide a copy of that information (both sides) as well.

FINANCIAL AID & HEALTH INSURANCE

Any candidate or midshipman who is not currently covered under a medical insurance plan and is unable to pay the premium for the Student Health Insurance Plan is eligible to apply for and accept financial aid to cover the cost of the USMMA Student insurance premium. If you did not request financial aid but feel that this cost requires you to do so, please contact the Financial Aid Office for assistance in applying for financial aid for the 2013/2014 academic year. You may contact the Financial Aid Office at 516-726-5638 to initiate the process. If you have already requested financial aid through the USMA’s Financial Aid Office, your son’s or daughter’s cost of attendance will be revised to reflect this increased cost, and an updated financial aid Award Letter will be sent to you. If you have not yet received an Award Letter, then the one that is forthcoming will include the insurance plan cost.
Midshipmen Assigned to the Department of Professional Development & Career Services

A Midshipman assigned to the Department of Professional Development & Career Services and reporting aboard a commercial vessel for sea duty assignment is classified as a member of the crew. Additional Health Insurance coverage may be provided through the Protection and Indemnity (P & I) of the shipping company. A Midshipman is eligible for this additional healthcare coverage provided he/she becomes sick or injured while assigned to the vessel for training. A Midshipman is not considered a crew member until signing appropriate articles onboard ship. In some cases, a Midshipman may also be eligible for Federal Workers compensation for injuries while serving sea duty assignment. This is determined on a case by case basis.

DENTAL DEPARTMENT

Candidates must complete a dental examination prior to reporting to the USMMA. In order to minimize disruption of academic activities, we recommend that any active dental disease (e.g., cavities, pain, infections) be treated prior to indoctrination. Please obtain a copy of dental radiographs (i.e., bitewings, periapicals (if needed), and panograph) so that they may be incorporated into the candidate’s USMMA dental record. Radiographs may be mailed prior to indoctrination to the following address:

U.S. Merchant Marine Academy
Department of Health Services
Patten Health Clinic
300 Steamboat Road
Kings Point, New York 11024-1699

Removal of wisdom teeth (third molars)

In order to minimize dental emergencies associated with third molars during sea deployments, we advise removal of the following:

- Third molars that are partially erupted (i.e., the dentist is able to detect an opening beneath the gum (Oral communication)).
- Unerupted third molars or other unerupted teeth with a history or current signs of infection.
- Erupted third molars that have been associated with pain, infection or inflammation.

Since it is difficult to predict the disposition of developing third molars, we encourage the prophylactic removal of wisdom teeth not characterized by the above categories in order to minimize disruption of academic activities.

To allow adequate time for healing, we advise that tooth removal be completed 6 weeks prior to indoctrination. Failure to follow these guidelines could impact on a Plebe Candidates ability to participate in Indoctrination. Plebe Candidates who do not complete Indoctrination will be returned home to rejoin USMMA the following year.

General dental care will be provided onsite USMMA. Dental Insurance is optional but strongly encouraged since referrals to dentists or dental specialists (e.g., oral surgeon, endodontist) outside of the USMMA Dental Clinic will require the use of private dental insurance or be an out of pocket personal expense.
As indicated in DODMERB, active orthodontic treatment (braces) is not allowed. Only removable orthodontic appliances (e.g., retainers, Invisalign®) are permitted. As the Dental Department does not have an orthodontist, replacement of broken appliances will require treatment outside the USMMA Dental Clinic at the Plebe Candidate’s Expense.

Please contact the Dental Department at (516) 726-5680, option # 2 to address any questions.

**Corrective Lenses for Plebe Candidates during Indoctrination**

Plebe candidates requiring corrective lenses, who wear contact lenses, are strongly encouraged to bring glasses for indoctrination. At this time the use of contact lenses is not prohibited; however due to time constraints during indoctrination appropriate lens care can be difficult. Those Candidates with corrective lenses who wear glasses are less likely to experience problems such as lost, torn and/or scratched contact lenses.

**MEDICATION POLICY FOR PLEBE CANDIDATES DURING INDOCTRINATION**

To ensure the safety and well-being of each candidate, all Plebe Candidates are instructed **NOT** to bring any over-the-counter medications with them unless accompanied by a note from the prescribing physician. The note should indicate the medication, dose and reason it is required. Any over the counter medications brought without appropriate documentation will be collected from all Plebe Candidates upon their arrival. This includes but is not limited to any pain medication (e.g. Tylenol, Aleve, Advil, aspirin); allergy medications, antihistamine, decongestants, herbal supplements or remedies, vitamins and nutritional or sports supplements. Upon completion of Indoctrination, Plebe Candidates will be instructed to report to Patten Clinic to pick up any previously collected medication. Should an over-the-counter medication become necessary for a Plebe Candidate during Indoctrination, it will be made available. Plebe Candidates should **NOT** bring any **prescription medications** with them **unless** the medication is specifically prescribed for them. There must be an accompanying note from the prescribing physician or dentist stating the reason why the medication was prescribed. These medications will be collected, identified and be recorded in the Candidate’s health record before being returned.

Any medication that is not in its original container or is unlabeled will be collected and disposed of by the Academy’s Department of Health Services without exception.

If you have any questions, please contact the Academy’s Department of Health Services using any of the following options:

PHYSICAL READINESS PROGRAM

The philosophy of the Department of Physical Education and Athletics is consistent with the mission of the United States Merchant Marine Academy. The athletic program plays an integral part in helping the Academy to achieve this mission. Through participation in athletics, qualities such as leadership, industriousness, resourcefulness, loyalty, sportsmanship, cooperation and responsibility are developed. As a result, young men and women are given the tools to achieve success, and become future leaders in our nation.

The athletic program competes at the NCAA Divisions III level, and is guided by its principles. The highest priority is placed on the overall quality of the educational experience and the objectives of the program and must be met while working within this framework.

During your four years at the United States Merchant Marine Academy, you must meet and maintain the United States Navy's weight, body fat, and physical fitness standards. If you are not within weight or body fat standards, or you cannot maintain the expected physical readiness level, you may be dismissed from the Academy. The ultimate responsibility for meeting these standards rests with you, the Midshipman.

Each morning during the two weeks of Plebe Indoctrination you will undergo periods of intense calisthenics and aerobic and anaerobic exercise. In the afternoons you will take part in a competitive intramural athletics program. In order to avoid injury, you must prepare yourself for these physical demands prior to your arrival. Your physical fitness preparation program should be taken seriously and should be geared toward body fitness. To prepare you for the rigorous physical demands of Plebe Indoctrination, it is recommended that you follow this seven week exercise routine on pages 38-40.

During Plebe Indoctrination you will take two physical fitness tests. The first fitness test, Initial Strength Test (IST), will be conducted on the second day and consists of maximum curl-ups in two minutes, maximum push-ups in two minutes and a timed 1.5 mile run. The second fitness test near the end of the two weeks, the Final Strength Test (FST), includes maximum push-ups in two minutes, maximum curl-ups in two minutes and a timed 1.5 mile run.

To measure the general fitness of the Regiment of Midshipmen, all midshipmen must take a Physical Fitness Assessment (PFA) every trimester they are at Kings Point. The PFA consists of two components, the Body Composition Assessment (BCA) and the Physical Readiness Test (PRT). Every Midshipman must pass both parts of the PFA; failure of any part shall result in assignment to the remedial physical fitness program and may result in dismissal from the Academy.

Leaders in the Strategic Sealift Officer Program and Naval Service must be physically fit to perform the demanding duties required of them. Physical fitness leads to mental keenness and physical stamina. Midshipmen must continually maintain the required physical standards throughout their four years at the Academy.
1. **BODY COMPOSITION ASSESSMENT (BCA)**

Body Composition is assessed by weight and height screening, and body fat percentage for those over the height/weight standard. On entrance day, Plebe Candidates will be weighed and those Plebe Candidates that exceed the weight for their height, as outlined below in the Weight for Height Table, will have their body fat measured by tape measurement. **Those who fail to meet the Academy body fat standards of 22% for males and 33% for females may be denied admission.**

Plebe Candidates that fail to meet body fat entrance requirements may petition the Commandant of Midshipmen for a temporary waiver for entrance requirements for Plebe Indoctrination. Candidates requesting waivers must have a body fat measurement of less than 26% for males and 36% for females and be cleared by the Department of Health Services. Plebe Candidates with approved waivers must demonstrate satisfactory progress during Plebe Indoctrination before a determination of retention is made by the Commandant at the conclusion of Plebe Indoctrination.

2. **PHYSICAL READINESS TEST (PRT)**

The physical readiness test consists of three graded events, push-ups, curl-ups and the 1.5 mile run, or for those unable to run because of a load bearing injury a 500 yard swim. The push-ups and curl-ups must be completed within a two minute time period. Minimum PRT standards are listed in the table below.

The proper procedures for each event are described below.

**Push-ups**
1. Start in the rest position (Figure 1). Assume front leaning position with hands approximately shoulder width apart or wider and feet together. The arms, back, buttocks, and legs must be straight from head to heels and must remain so throughout the pushup.
2. Begin the push-up by bending the elbow and lowering the entire body until the top of the upper arms are parallel to the deck (Figure 2), the elbows are bent at a 90 degree angle. Remember to keep the arms, back, buttocks, and legs aligned throughout the push-up.
3. Return to the starting position by extending the elbows until the arms are almost straight. Do not lock your elbows (Figure 1).

   ![Figure 1](image1.png) ![Figure 2](image2.png)

4. Rest in up position only (Figure 1).

**Curl-ups**
1. Lay on the floor with your knees flexed to 90 degrees and your arms are folded across the chest. A partner can hold your feet to the floor. (Figure 3 - Palms must stay in contact with chest at all times).
2. Curl-up touching elbows to the thighs (Figure 4).
3. Lie back down to the start position, touching your shoulder blades to the deck.

**LADDERS**

1. Push-up and curl-up ladder
   - **Group 1 Ladder:** 1 2 3 4 5 4 3 2 1
   - **Group 2 Ladder:** 2 4 6 8 10 8 6 4 2
   - **Group 3 Ladder:** 3 6 9 12 15 12 9 6 3

2. On days when you are directed to do push-up and curl-up ladders, if you are in Group 1 you will do one push-up, rest 5 seconds, do two push-ups, rest 5 seconds, do three push-ups, rest 5 seconds, do four push-ups, rest 5 seconds, do five push-ups rest 5 seconds, then come down the ladder (4, 3, 2, 1) resting 5 seconds between steps. The same for curl-ups.

3. Groups 2 and 3 do the same but using the numbers corresponding to your ladder above.

4. The type of ladder is directed under the “Week” column. The first three weeks of the program you go up and down the ladder as explained in paragraph 2 above. Weeks 4-5 you go up, down and back up the ladder. The final two weeks you go up, down, up and back down the ladder.

* Find your pushup-curl-up group based on your one minute time trial results:
  - **Group 1:** < 20 pushups or curl-ups in one minute
  - **Group 2:** 21-50 pushups or curl-ups in one minute
  - **Group 3:** > 50 pushups or curl-ups in one minute

** INTERVAL RUNNING BEGINNING IN WEEK 5

1. For 0.5 intervals, divide your PRT time in week 4 by 3, this will give you your 0.5 pace. For intervals, subtract 10 seconds from your 0.5 mile PRT pace. You should try to run your 0.5 mile intervals at this pace.
   
   a. Ex - If you run the PRT in 12:00, divide this number by 3 to get 4:00 minutes. Subtract 10 seconds, and you should be running your 0.5 intervals in 3:50 minutes.

2. For 0.75 intervals, divide your PRT time by 2 and subtract 15 seconds from your time.
   
   a. Ex - If you run the PRT in 12:00, divide this number by 2 to get 6:00 minutes. Subtract 15 seconds, and you should be running your 0.75 intervals in 5:45 minutes.

3. Your 1 mile intervals should be 10-15 seconds faster than your 1.5 mile PRT pace.
   
   a. Ex - If you run the PRT in 12:00, your 1 mile pace is 8:00 min. You should run your one mile intervals in 7:45 to 7:50.

ACTIVE REST

Get outside and have fun, walk, pick-up game of ball, hiking, a fun, leisurely, physical activity.

FLEXIBILITY

At the completion of your workouts perform stretching exercises following these guidelines:

- Do not bounce
- Stretch to a point of mild tension
- Hold each stretch for 20 – 30 seconds
- Repeat each stretch 3-5 times

Illustrated below are recommended stretching exercises.
COURSE EXEMPTION POLICY

The Academy has a four-year residence requirement. The Academy does not award transfer credit for work completed elsewhere. However, a Midshipman who has completed coursework at another accredited college or university before entering the Academy may apply for exemption from equivalent courses at the Academy. Midshipmen who have received a grade of 4 or 5 on an Advanced Placement Examinations may also apply for exemption from equivalent Academy courses in those subjects at the Academy. In no case will a student be granted more than 12 exemption credits.

In order to apply for exemption credit you must arrange to have official transcripts from the other institution of higher education, or official Advanced Placement Exam scores from the College Board, sent directly to the Academy Registrar. Course descriptions and a course syllabus must be presented to the Registrar and appropriate Department Head for evaluation after the start of the academic year. If you do not have official college-level course work but can present evidence of extensive experience in a specific area, the appropriate department may determine eligibility for exemption by administering a course validation examination.

The academic credits, quality points or grade for work completed at another institution will not be included in your official academic record at the Academy.

MATHEMATICS PLACEMENT PROGRAM

All students must complete two terms of calculus at the Academy, but it is recognized that incoming students have varying degrees of preparation in mathematics. As a consequence, entering students will be given a placement exam during the Indoctrination period to determine whether they will be placed into Calculus 1 Regular or Calculus 1 Extended. Calculus 1 Extended is for students who require an extra hour of calculus instruction per week. The placement examination covers algebra, trigonometry, functions and calculus (only students having taken calculus will be expected to answer those questions).
